HOM

student life

Students, faculty and staff agree in surveys administered each year that Itawamba Community College is one of Mississippi's best.

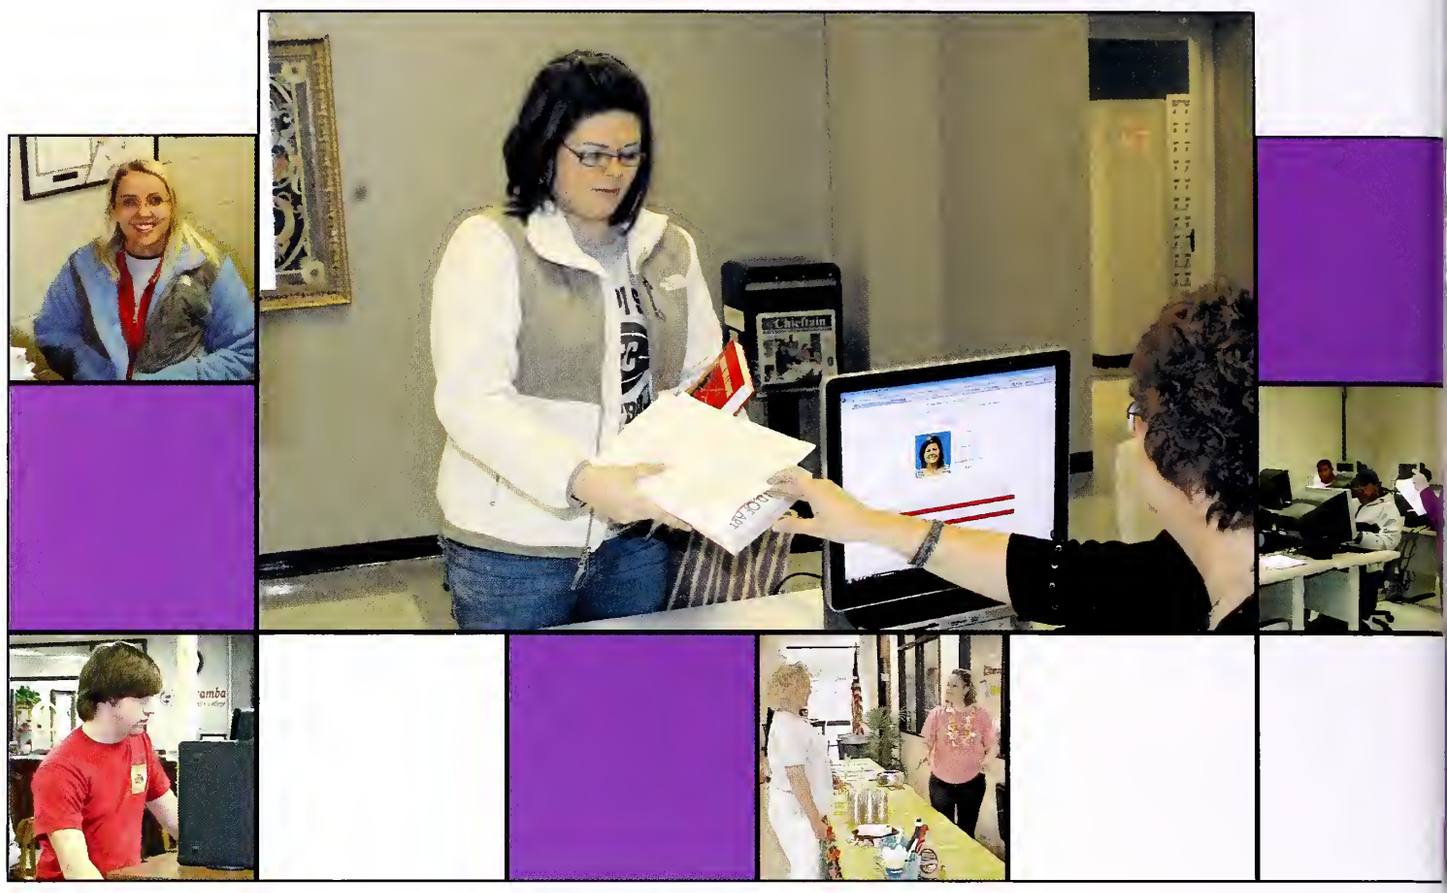
With state-of-the-art facilities and caring faculty, ICC has much to offer to its students and the residents of northeast Mississippi.

With 50 transfer academic and 30 career programs, ICC offers flexible scheduling in day, after work, evening and weekend classes as well as leading the state in enrollment in distance learning.

The endorsement this year in reaffirmation of accreditation by the Southern Association of Colleges and Schools confirmed that ICC left the visiting committee with a great impression of the enthusiastic attitudes of the College's family.

The visitors were complimentary of faculty, staff and students whom they interviewed during the October 21-23 visit.

One significant addition to the campus facilities continues to be the Davis Event Center, the College's basketball facility and physical education complex complete with a fitness center for use by everyone at ICC as well as the community.



FAMIL

student life

Experiencing postsecondary instruction is an easy step for Itawamba Community College students.

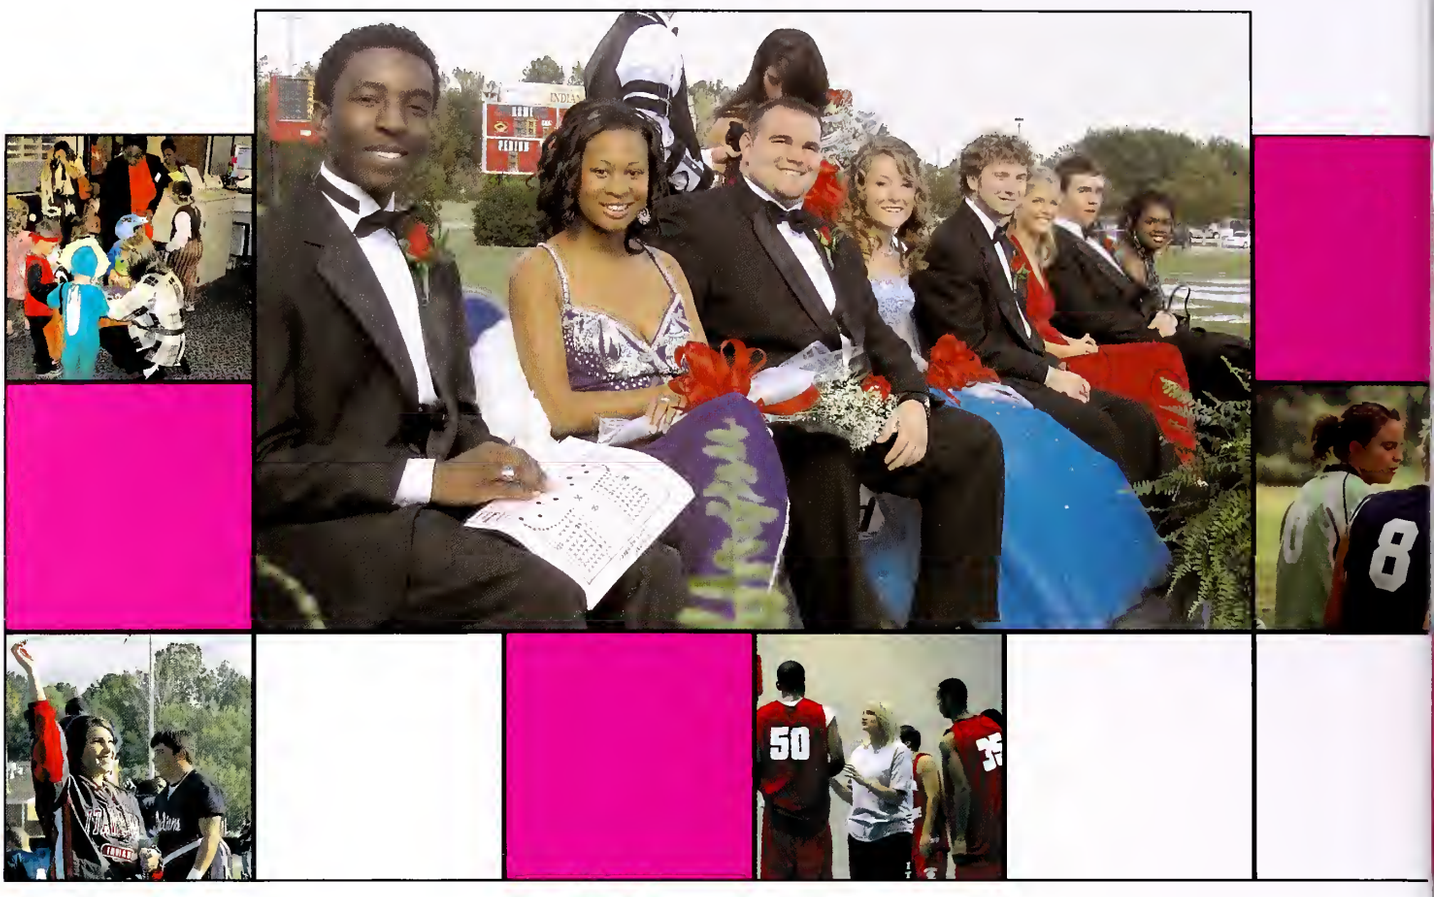
With nontraditional students returning to college after a number of years or entering freshmen who are just out of high school, ICC's faculty and staff provide a nurturing environment.

Faculty members offer one-on-one instruction for some students in addition to their class periods to enable them to achieve academic success. A student-teacher ratio of 17-1 allows freshmen and sophomores to take advantage of smaller classes and more educational opportunities. Students this year have remarked that they feel at home because their teachers are not just mentors, but friends.

In addition, the College offers free peer tutoring opportunities to increase subject knowledge for those who need extra instruction.

To ease the pressure of obtaining an education, scholarships are available to those students who need assistance, and each year ICC offers approximately $22 million in financial aid.

Flexible scheduling, proximity and affordability are a few of the benefits that enable its students to experience ICC.



FRIENI

student life

Every student is somebody at Itawamba Community College.

Through involvement in clubs, organizations and other extraxurricular activities, students have the opportunity to make new friends as well as continue relationships with their high school classmates.

Athletes participate in 10 intercollegiate sports, but those who don't receive athletic scholarships may play on intramural teams or take part in other student activities including bingo and other games, movie nights and other special events, especially during Indian Week and Homecoming week.

A disc golf course this year at the Fulton campus has added a new dimension to student activities.

For others, there are clubs and organizations including SIFE, Student Government Association, Phi Theta Kappa and additional leadership groups as well as musical opportunities such as band, CenterStage and choir.

In addition, one of the largest organizations at ICC is the Baptist Student Union, which welcomes all students regardless of church affiliation, to enjoy fellowship and activities.

I AM

student life

I am an ICC student.

I come from such towns as Bruce, Pontotoc, Tupelo, Tremont, New Albany, Booneville, Fulton and Baldwyn and even as far away as Canada and Australia.

I know my friends from high school who are my classmates, but I have the opportunity to broaden my horizons and get to know others.

I go to class, eat in the cafeteria or grill, live in student housing and join clubs and organizations. For many of us, it's the first time we've lived away from home. And, it's an adjustment.

I am also a nontraditional student, who balances full-time employment, classes and my family, and some days it's not easy, but I persevere.

I am an ICC faculty member, who cares about my students enough to offer a bit of tough love and a lot of life's lessons and experience.

I am all of these individuals.

I am ICC.

about FUN

Inflatables, games and a hot dog eating contest provided an outlet for student stress the week of April 23-26.

This year's annual event, which is the week before exams, is designed to allow students at both the Fulton and Tupelo campuses to have fun before the cram sessions begin.

This year's agenda at the Fulton campus included Monday, cartoonist Steve Gipson, inflatable games, hamburger lunch, Thinkfast game show; Tuesday, lazer tag, hot dog lunch, Texas Hold 'Em poker tournament, choir concert; Wednesday, Fear Factor at the BSU, womanless beauty review; and Thursday, hot dog eating contest, hamburger lunch, "The Real Deal Game Show," and band concert.

Tupelo's activities were Monday, bingo; Tuesday, Make It, Take It: caramel apples; Wednesday, Steve Gipson; and Thursday, club-sponsored fun and games, talent show, free food and music.

Students from both campuses searched for the lost Indian using clues posted daily. The winners walked away with $50 in prize money.

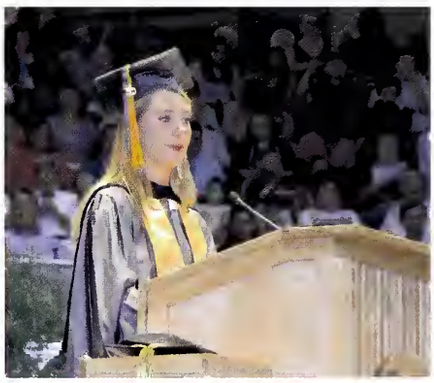
about FACE



Lewis Whitfield, senior vice president of the CREATE Foundation, commended more than 400 Itawamba Community College graduates upon a significant milestone in their lives and challenged them to take the next step.

With family and friends packing the Davis Event Center, May 11, the graduates marched solemnly down the aisle to receive Associate of Arts or Applied Science degrees or certificates.

Most smiled broadly at ICC President David Cole, who shook hands with each as he presented their diplomas.

The day began with a breakfast sponsored by the ICC Alumni Association, picking up caps and gowns and a rehearsal and ended with the ceremonial thunderous ovation for the class of 2007.

The speakers were Carol Simpson, assistant general manager of TEMA Team Member Relations for Toyota, on April 11 at the Tupelo campus and Jack Reed Jr., president of R.W. Reed Company, at the Fulton campus on April 20.

One student from each division and department received certificates and plaques.

Lover's Leap

George (J.P. Whitlock) searches Amy's purse.

Sold-out audiences ensure play success

Mike (Andrew Bost) storms in with a gun. George and Amy (Veronica Stallings) debate the situation of their spouses.

Vivian is shocked to find Harry on the ledge of the hotel. George kisses Amy's hand.

This year's dinner theatre, "Lover's Leap," was a comedy set in modern times.

Under the direction of Cy Williams and student director Reisa Hollaway, the cast included actors from last year's play as well as new faces.

The chemistry of the cast was evident on stage.

The cast included J.P. Whitlock, Veronica Stallings, Jeremy Patton, Tiffany Hobson, Abbey Hendrix and Andrew Bost.

Patton, who was a newcomer to the ICC stage, stole the show all three nights as Harry, who attempted to jump from the hotel ledge.

George goes out on a ledge to help Linda (Abbey Hendrix). Mike helps Harry (Jeremy Patton) write a note. Vivian (Tiffany Hobson) asks questions about her husband's location.

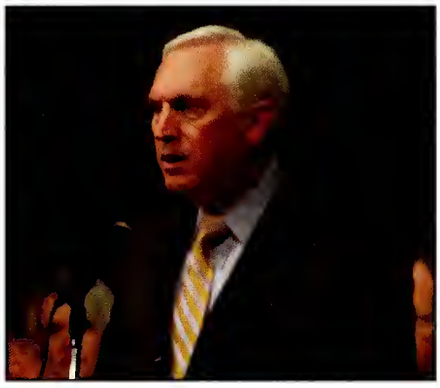
From top, Itawamba Community College President Dr. David C. Cole is pictured with Levi Bishop at graduation practice, Miss ICC 2007 Amanda Fleming, Athletic Hall of Fame indutees Linda Partlow and Mark Burleson, his dog Cap, and Sarah Walker and Marcia Eaton.

Cole LEADS



When Dr. David C. Cole became Itawamba Community College's fourth president in 1993, he set goals for the future.

And, 15 years later, his visionary leadership has translated into a premier community college.

He calls Itawamba's success a "team effort," but without Cole's perceptive leadership and networking, the College would not have experienced such success.

In the past few years, the Student Services Building, Boggs Humanities Building, Davis Event Center and Fitness Center on the Fulton campus and the Advanced Education Center on the Tupelo campus are evidence of the countless hours that the president spends to ensure that Itawamba Community College's facilities are unparalleled.

In addition, Dr. Cole's peers, the other 14 community college presidents in the state, elected him as their chairman, a role in which he has worked vigorously to ensure better funding for community colleges statewide, mid-level faculty salaries and improvement of the dropout rate.

Dr. Cole is involved extensively in community activities. He served this year as the honorary chairman for the Festival of Hope that benefits area residents with heart disease, cancer and diabetes.

He and his wife, Betty, have four children and six grandchildren.

Several events that occurred during 2007-08 made the "big news" category for the year.

During October 22-24, ICC's accreditation was reaffirmed as a result of the site visit by the Southern Association of Colleges and Schools. Following the exit conference, ICC President David C. Cole noted that "ICC met all critical compliance requirements without question, and that the team was very complimentary of the College's structure."

For the first time in the history of the associate degree nursing program, sophomores were required to create porfolios of their work. The new project was designed to help students begin the job application process and to fit in with ICC's SACS quality enhancement plan, "Raising the Bar: Improving Student Writing."

Also in the fall, ICC received a Gilmore Foundation grant to offer free tuition to Monroe County students, and Winford Rogers of Mantachie donated $80,000 to fund scholarships for Itawamba County students.

Among other news items were increased enrollment, all-time record numbers in ICC's All-American Band and membership records in Phi Theta Kappa.

In addition, ICC's TIS Department upgraded Internet service to provide faster connection.

ICC's Surgical Technology program was ranked second in the nation on the program assessment exam.

Several news events topped the most important list during 2007-08 including the presidential election.

At press time, Hillary Clinton and Barack Obama were challengers for the Democratic nomination while Republican John McCain II and Mike Huckabee were contenders for the Republican vote. State primaries were the focus of the candidates as well as a number of debates. The election is scheduled for November.

In October 2007, two dozen wildfires spread over California. The blazing fires killed 14 people and destroyed thousands of homes. The southern California affected included Los Angeles, San Diego and San Bernadino.

In November 2007 real estate agencies had difficulty because of the spikes in foreclosure rates and hard times in real estate. Houses suddenly were up for grabs due to an all-time increase in foreclosures.

In August 2007 two big news headlines included a huge toy recall by Mattel. The toys were pulled from the shelves because of toxic chemicals and toxins that could be fatal to children. Additional recalls were dog and cat food, shrimp and toothpaste.

Later in August, the collapse of a bridge across the Mississippi River in Minneapolis, Minnesota during rush hour traffic killed 12 people.

Fall 2007 and spring 2008 was a big year for entertainment and sports.

Britney Spears soared to the top of the entertainment news with a battle for custody of her two sons, the press and mental health issues.

January 22, 2008 will forever be remembered as the day that young heart-throb Heath Ledger died.

Celebrity Miley Cyrus sold out concerts across the nation as Hannah Montana with tickets on eBay in excess of $3,000. On the Hannah Montana show on Disney, Cyrus is a young girl who tries to hide her identity as a rock star.

Both fall and spring brought about several headlines in sports as well.

The New York Giants won the 42nd Super Bowl in what media called the best game in the event's history. Quarterback Eli Manning evaded a host of tacklers to engineer the 17-14 victory over the New England Patriots.

In baseball news, Roger Clemens said during an investigation that his trainer Brian McNamee administered multiple steroid shots. Clemens was one of several baseball players who were investigated.

In other football news, Michael Vick of the Atlanta Falcons was charged with 23 months in jail for dog fighting.

In February, the final pages of the *Mirror* were shipped to Jostens in Clarksville, Tennessee. The 2,000 copies were printed there and shipped to the Itawamba Community College Fulton campus.

Jostens sales representative Chris Coleman assisted with the production of the 9" x 12" book, which was printed on 100 gloss paper. The cover is in matte blue.

Photographs were made by Kim Wiygul Williams and staff members Haley Holley and Blake McCollum. In addition, the staff appreciates the photographs submitted by club sponsors and student members.

Special thanks goes to both adviser Donna Thomas and Connie Yielding for proofreading and helping with every page. Appreciation also goes to Will Kollmeyer for sports articles and to other faculty and staff members who assisted with photo identification.

A special appreciation goes to the Aycocks, Cranes and McCarthys for the use of their homes for pictures.

Thanks to all staff members who corrected and completed their pages before the deadlines.

"I Am ICC" was selected as the theme of the 2008 yearbook because it is the culmination of the College's marketing plan for the year.

We hope that this book is a reminder of the memories that were shared this year. We also hope that you remember **you are ICC**.
